DOHA DEVELOPMENT AGENDA AND AID FOR TRADE: CORRIGENDUM

The following corrections should be made to this document.

Paragraph 52: the last sentence “The staffs would report back to the Development Committee and the IMFC at the 2006 Spring Meetings” should be deleted. The paragraph should now read:

“Against this background, the staffs of the Bank and Fund see merit in further exploring the adequacy of existing mechanisms to address regional or cross-country aid for trade. As part of this exploration, the staffs would, in cooperation with other stakeholders, examine (i) the opportunities offered by the enhanced IF; (ii) extension of existing Bank instruments; and (iii) a dedicated multilateral fund to provide co-financing for regional projects.”²³

Paragraph 62 (b): the last sentence “*The staffs of the Bank and Fund would report back to the Development Committee and IMFC at the 2006 Spring Meetings*” should be deleted. The paragraph should now read:

“(b) Grant a mandate to the staffs of the Bank and Fund to explore the adequacy of existing mechanisms to address regional or cross-country aid for trade and, in cooperation with other stakeholders, examine (i) the opportunities offered by the enhanced IF; (ii) extension of existing Bank instruments; and (iii) a dedicated multilateral fund (on the basis of the principles set out in paragraph 53). (Paragraphs 50-53).”
